

AMENDMENTS TO THE SPECIFICATION

At page 3, after line 32 please add the following heading

- - **A Summary of the Invention** - -

At page 4, after line 10 please add the following heading

- - **Brief Description of the Figures**

Figure 1 illustrates a process sketch according to EP-A2-197 611.

Figure 2 illustrates a process scheme according to the invention.

Figure 3 illustrates another process scheme according to the invention.

Figure 4 illustrates another process scheme according to the invention.

Figure 5 illustrates a reaction column for reacting EDA to give DETA.
